

Sanitary District Superintendent – Carrabassett Valley, ME

The Carrabassett Valley Sanitary District seeks applicants for the position of **Superintendent**.

This full-time salaried position reports directly to a governing Board of Trustees and is responsible for overseeing the administration of the Carrabassett Valley Sanitary District (CVSD) including:

- Operation and maintenance of the wastewater treatment facility, pumping stations and 20+ miles of sewer main.
- Duties include the care of district-owned forest land and its forest management plan, the oversight of a contracted registered forester and all timber sales.

The applicant must possess a minimum of a Maine Grade III Wastewater Operator's Certificate and have or obtain a valid State of Maine driver's license.

The district is seeking an individual with strong management and communication skills. The position is responsible for the development and implementation of annual & capital improvement budgets.

Word processing and Spreadsheet use and developments skills are essential.

CVSD is an EOE and offers very competitive wages and benefits. The district reserves the right to perform a background check on the applicant.
